ABOUT ANASTASIA

Anastasia is a Director with the Corporate & Finance Department in Drew & Napier.

Her key areas of practice are Technology, Media, and Telecommunications (TMT), Data Protection, Privacy and Cybersecurity, as well as Artificial Intelligence (AI) and Digital Trust.

Prior to joining the firm, Anastasia was Deputy Chief Counsel to Singapore's Personal Data Protection Commission (PDPC) and Info-communications Media Development Authority (IMDA) for over 9 years. She was lead counsel for PDPC's matters, IMDA's procurement and intellectual property portfolios, as well as IMDA's Data Administration Group.

Anastasia has advised on a broad range of regulatory, compliance and commercial matters, both in her role as in-house counsel as well as in private practice. Her extensive experience includes advising on the administration, application, and enforcement of Singapore's Personal Data Protection Act 2012 (PDPA). A significant national project would be the amendments to the PDPA, which came into effect on 1 February 2021.

She has been recognised as a Senior Accredited Specialist in Data & Digital Economy Law by the Singapore Academy of Law.

EXPERIENCE

The matters that Anastasia has advised on include:

Data Protection & Privacy

- Advised on the development, administration, enforcement, and review of the PDPA, including the amendments to the PDPA and related regulations that came into effect on 1 February 2021.
- Advised on the advisory guidelines issued by PDPC, which set out PDPC's interpretation of the PDPA.

- Advised on regulatory compliance issues as well as investigations in respect of data breaches.
- Advised on the interaction of the PDPA with other legislation.
- Advised on the development of data protection policies, data retention schedules, privacy notices, and contractual clauses.
- Advised on data protection compliance programmes, which included conducting the data mapping and preparing the audit report with recommendations for remediation.
- Advised on cross-border transfers of data, including data transfer agreements, and coordinating the preparation of compliance documentation for multi-jurisdictional projects.
- Advised on data transfer impact assessments for the potential transfer of personal data from Europe to Singapore, with reference to the European Data Protection Board's guidelines on the European Essential Guarantees for surveillance measures.
- Advised on the conduct of a data protection impact assessments, such as in respect of the adoption of a telemedicine communications system and the related vendor agreement so as to address data protection risks.
- Assisted with data protection-related due diligence exercises for prospective acquisitions and financing. This included preparing the due diligence questionnaire and report, as well as drafting data protection-related provisions in the Facility Agreement to address requirements and risks under Singapore laws.
- Advised on PDPC's Data Protection Trustmark certification.
- Advised on the implementation of the Asia-Pacific Economic Cooperation (APEC)

Cross-Border Privacy Rules and Privacy Recognition for Processors certification systems.

- Conducted seminars on the PDPA, and developed course materials for trainers and participants.
