Chong Kin co-heads Drew & Napier's Competition Law & Regulatory Practice. He also heads the Telecommunications, Media and Technology (TMT) Practice.

Chong Kin has played a key role in the development of sectoral competition regulation in Singapore, in particular, in the telecommunications, media and postal industries. Since 1999, he routinely advises the sectoral competition regulators on liberalisation, market access, licensing, competition regulation, merger reviews and enforcement issues, including successfully defending the regulators in various Ministerial appeals.
